

Homeopathic mother tinctures for

Acne

Your Guide to Acne

1. Berberis Aquifolium Q

Common Name: Oregon Grape

“Acne with pigmentation & dull skin”

Traditionally considered for acne accompanied by dark spots, uneven complexion and post-acne marks.

2. Echinacea Angustifolia Q

Common Name: Purple Coneflower

“Acne with inflamed & infected-looking eruptions”

Considered in homeopathic practice for tender, inflamed or pustular eruptions.

3. Calendula Officinalis Q

Common Name: Marigold

“Acne with irritated, slow-healing skin”

Traditionally associated with soothing irritated skin and supporting healing.

4. Sarsaparilla Q

Common Name: Smilax

“Acne linked with hormonal changes”

Traditionally considered when acne appears around menstrual or hormonal changes.

5. Hydrastis Canadensis Q

Common Name: Golden Seal

“Acne with thick, unhealthy-looking skin”

Considered where eruptions are persistent and the skin appears dull or congested.
